LOCAL MATTERS.

Sun rises to-morrow at 7:10; and sets at 4:59. High water 11:16 a. m. and 11:30 p. m.

WEATHER PROBABILITIES.—For this section increasing cloudiness, probably light showers; warmer this evening and much colder Wednesday afternoon and evening; moderate cold w. ve.; w. westerly winds, shifting to northwesterly.

SENT TO THE CHAIN GANG.—For several years this city and neighborhood has been infested with a band of thieves, members of which have often been arrested, but with no direct evidence could be obtained against them. They have so far been allowed to go free. Cars have been robbed, houses rifled, drunken men fleeced and other crimes committed until it has become necessary to take heroic measures in order to afford protection to the community. Those believed to be the authors of the offenses alluded to are droned in the hive of nature seldom, if ever, engaging in honest work, and they have from time to time been warned by the authorities that unless they betake themselves to some honest employment they will be arrested and dealt with under the provisions of the vagrant act. The depots seem to be the quarries operated mostly by these thieves, and on Friday night, while the police were near the Washington and Ohio yard on the lookout for them an individual with an unsavory record, known as James (or Jemsey) Sullivan, was seen by Officer Davis prowling about the premises looking into windows and acting suspiciously. It was then sometime past midnight and the officer approached Sullivan and ordered him away from the depot, telling him at the same time that should he find him prowling about the place again he would put him under arrest. The gang, it seems, then changed their base of operations to Union street, and about one o'clock one morning recently Sullivan and some of his pals were seen on the Citizens' Bank corner. Between one and two o'clock this morning Officers Davis and Howson discovered that the gang was out with a wagon which some of them were pulling through the streets, and later, upon taking a position near the W. & O. depot, they saw Sullivan make his appearance and perform some suspicious acts. The officers pounced upon him and took him to the station house. At the trial this morning Lieutenant Smith testified to the character of the prisoner, charging him with being a thief and member of a gang which he and other officers were determined to break up. The Mayor's disposition of the vagrant law recently passed by the City Council and sent him to the chain gang for ninety days, remarking at the time that he had issued orders for the arrest of all suspicious characters found prowling around the city at late hours, and would place them on the chain gang, the authorities being determined either to break up this gang of thieves or make it too hot for them to stay around this neighborhood.

PERSONAL.—Mrs. W. H. F. Lee has returned to "Ravenswood, after a day or two spent in Richmond. Mr. Thomas Dix, accompanied by his wife and Miss Myrtle Stirling, left this morning for Atlanta. Mr. Gardner L. Eootie has returned from a visit to Savannah and Atlanta. Mr. J. S. DeSilva returned this morning from Portugal, his old home, which he has recently visited. Rev. Berryman Green, of Leesburg, who has just accepted the rectoryship of Christ Church, was in the city to-day and met several of the vestrymen of that church. He will assume his new duties early in December. Mr. Samuel H. Lunt and his sister, Miss Mary Lunt, who have been visiting relatives in the West, returned home last night. Rev. Father Henry J. Cutler, of Richmond, is in the city on a visit. Miss Margaret Vowell Smith, of Alexandria, is in the city for a few days, having come to attend the annual meeting of the Colonial Dames, which was held Monday evening in the assembly room at the Jefferson, and of which society Miss Smith is the historian. —*Richmond State.* Miss Alice Maloon, of Beverly, Mass., is visiting the family of Mrs. M. J. Carlin, on Duke street. Mr. W. C. Whirt, treasurer of the county, has been called to the upper country by the illness of his brother, Mr. Clarence Whirt. Miss Mary J. Gorman, who has been visiting relatives and friends in Howell, Detroit and central Michigan for the past two months, has returned to her home in this city, much pleased with her trip. Police Marshal Thos. G. Carter, of Baltimore, and Miss Kate Weller were married at Falls Church to-day, the father of the bride, Rev. Addison Weller, officiating.

CHARGED WITH PICKING POCKETS.—William Geary, a former member of the chain-gang, and more recently an inmate of the work-house, was arrested at an early hour this morning on suspicion of having stolen about \$200 from the person of Dan Henry while the latter was asleep on a lounge in a room back of his saloon. Geary, according to the evidence, was the only one in the room after Mr. Henry fell asleep, and suspicion pointing to him the police started after him. This morning when arrested he was searched but only 25 cents was found on him. Later, however, during another search, conducted by Lieutenant Smith, a ten-dollar bill was drawn from the lining of his hat. Geary, upon being placed in the dock, was asked where he obtained the bill. He replied that a fellow-prisoner, who had been released a few minutes previously, had given it to him. The man was brought emphatically. The accused then said he did not obtain the money from the man, but he took care not to tell the court where he did get it. Geary was sent on to the grand jury. Later he was taken into a room and another search was instituted. This time a five-dollar bill was pulled out from under his collar. It is probable he has hidden most of the money somewhere. P. S.—This afternoon Lieutenant Smith recovered \$100 more of the money at Geary's house.

The ladies of Grace Church will serve on Thursday and Friday nights at Odd Fellows Hall a good supper for 25 cents, in connection with a box sale and a sale of fancy articles and candy. Ice cream and cake will also be served.

RACE TRACK NOTES.—According to the arrangement between the two associations the racing will be at the St. Asaph track on Thanksgiving Day. There was another case of "pulling" a horse at the St. Asaph track yesterday. Hogan had the mount on Tubal Cain, jr., in the opening race and he gave a masterly exhibition of how not to win a race. Hogan's work could not by any means be allowed to pass unnoticed, and before he had fairly touched the ground he was ruled off.

Following are the entries at the St. Asaph track for to-morrow: First race, 4 mile—George R., Westover, Owen Golden II., Ronald, St. Lawrence, Alva, 112. Second race, 4 1/2 furlongs—St. Lawrence II., 104; Boisterous, Svengali, 101; Grassmere, Little Ralph, 97; Cadiz, Lady Watson, Salis, 94. Third race, 6 1/2 furlongs—Busirus, Claustman, 109; Bronston, Siberia, 104; Gaisty, 99; Syde, 94. Fourth race, 3 mile—Jersey, 114; Jim Donlen, 108; La Prentis, 104; Gorman, 99; Carnalite, Geo. Hakes, 98; Silva, 93. Fifth race, 4 1/2 furlongs—Glenara, 111; Masher, Philadelphia, 109; Tanglefoot, Somage, Nemo, 106; Dervish, 104; May D., Lucille, 99; Clair W., 97; Dorcas L., Arundel, 94. Sixth race, 7 furlongs—Devisee, Lerro, Paymaster, Fidget, Foxglove, Eddie M., Prince Klamath, 105; Mote, Irish Pat, Blondy's Victim, Hazel, 102.

POLICE COURT.—The following cases were disposed of this morning: Edward O'Neal and James Conrad, white and Edward Smith, colored, arrested by Officers Beach and Deane for vagrancy, were ordered to leave the city. James Sullivan, arrested by Officers Davis and Howson for vagrancy, was sent to jail subject to the chain gang for 90 days. Wm. Geary, charged with stealing money from Dan Henry, was sent on to the grand jury. The following cases were disposed of last night: John Dogan and George Howard, both colored, charged with disorderly conduct, were fined \$2 each. A man charged with drunkenness on the streets forfeited \$5 collateral. A colored woman charged with assaulting a colored boy was dismissed. Night Report.—Last night was clear and cool. Four prisoners and eight lodgers were at the station house.

GOLD MEDALS.—Postmaster Carlin has informed Superintendent of Public Schools Kemper that he will at the close of the school year present two handsome gold medals—one to the young lady in the first division of Lee School who shows the greatest proficiency in mathematics during the session, and one to the boy in Mr. Greenwell's division of Washington School for a like proficiency. The following is Postmaster Carlin's letter to Superintendent Kemper: Dear Sir:—I cheerfully comply with your suggestion and will furnish gold medals to the young lady of the 8th grade of Lee School, and the pupil of the 7th grade of Washington School, who will obtain the greatest proficiency in mathematics for the session of '95 and '96. Respectfully, C. C. CARLIN.

REPUBLICAN MEETINGS.—Meetings of republicans were held in this city last night. Those in the Third ward met in Ebenezer Hall on Queen street. W. N. Jackson was in the chair and John Payne was secretary. W. N. Jackson read the call and stated that the object was to elect eight delegates to the convention to meet at Sappetta Hall to-morrow night to consider the recommendation for the election of a city chairman. The following delegates were elected: Samuel Smith, Frank Harper, Josiah Green, R. Preston, M. Stevenson, James M. Buckner, Robert Gaines and W. N. Jackson. Alternates, R. A. Bates, John Payne, James Fields Wm. Lee. Newton Fant was chairman of the Fourth ward meeting. Seven delegates were elected. The First and Second wards elected five each.

ACCIDENT AT THE SHOE FACTORY.—O. W. Swartzfager, a stock fitter at the Shoe Factory, while sandpapering the stock rollers shortly after one o'clock this afternoon, had both of his hands caught under them. His right hand was mangled and his left badly cut. Both arms were seriously bruised also. The engineer, who witnessed the accident, threw the belt off and stopped the machine. The unfortunate man's hands, however, could not be removed until about twenty minutes later, the roller having to be taken entirely off before they could be released. Doctor Howard, who attended him, says his injuries, though painful, are not of a very serious nature.

SCARED BY A TRAMP.—Early last night a man, supposed to be a tramp, entered a house east of the Southern Railway depot and scared the members of the family from the premises. An alarm was raised and Officer Beach responded. When he arrived the man had vanished, but a suspicious-looking individual and a stranger, who was found nearby, was arrested. The man gave his name as Edward O'Neal, said he was a gardener and had come here to find work. He was held until this morning, when he was made to leave the city.

SELLING CIGARETTES TO BOYS.—Complaint is made that the proprietors of some small shops in different places in the city are accustomed to sell cigarettes to boys. The parents of the latter are indignant at the fact, and the offenders, it is said, will be dealt with according to law. A day or two ago a white boy was taken suddenly ill in the First ward, and the doctor who attended him said he was a victim of nicotine poisoning.

REPORTED FOUND.—It is reported that Mr. W. J. Ebert, who mysteriously disappeared from his home in this city on Monday week, is now at work in a brewery in Baltimore. Members of the family said this morning that they knew nothing of the correctness of this report, but several of his friends here say they know it to be true.

ODD FELLOWS.—A number of members of Potomac Lodge of Odd Fellows, of this city, went to Washington last night to pay a fraternal visit to Metropolis Lodge. After the meeting of the lodge the members were given a banquet. The Alexandrians returned home on the midnight train well pleased with their visit.

The County Supervisors met to-day and audited accounts. Messrs. Clements and Sisson made a partial report in reference to the ownership of the court house property, but asked that no action be taken by the Supervisors until Mr. Phillips, the other member of the committee, could present his report.
